## INTER-OFFICE CORRESPONDENCE

## REPUBLIC CREOSOTING COMPANY

DIVISION OF REILLY TAR &amp; CHEMICAL CORPORATION

TO: Mr. R. J. Hennessy - Reilly Lab.  
FROM: R. J. Boyle  
SUBJECT: INSURANCE - ST. LOUIS PARK

OFFICE: Indianapolis

DATE: February 23, 1971

We attach photostat of First Report of Injury sustained February 18, 1971, by James L. Lemke, who was struck on his head by a tie falling from the A. & B. Mill to the tram.

Because of the similarity of this injury to that most serious injury sustained by Joseph Just several years ago, we telephoned Mr. Finch and learned that Mr. Lemke had been released from the Methodist Hospital and had returned to work. We are most fortunate that Mr. Lemke was not injured as seriously as was Mr. Just.

This is the portion of the A. & B. Mill that we have been trying to revise to prevent injuries of this type. Mr. Finch is asking the company who recently rebuilt the A. & B. Mill to inspect the guards on the mill apron to determine if they can work out a spring lock arrangement to be activated by a foot lever to make sure that the guards are in place when the employee moves to straighten the ties.

We would appreciate any assistance you can give Mr. Finch regarding improvement in the safety features of the A. & B. Mill.

Very truly yours,

*R. J. Boyle*
